

AGREEMENT WITH THE PACIFIC SHELLFISH INSTITUTE

I, _____ acknowledge that by accepting this equipment, I agree to collect data for the Pacific Shellfish Institute in an effort to track oyster growth and condition at my sites. This data will be used to assess the performance of different oyster culture gear types for the Alaska Sea Grant “*Alaskan Mariculture Diversification, Innovation and Technology Transfer Project: Alternate Species and Gear.*”

By signing this agreement, I acknowledge that I received an electronic copy of the data collection sheets (“*Data Collection Sheet – Oyster Growth*”), which I will print and use on my farm. I will complete the data sheet fully when I first stock the culture gear with oysters, and repeat measurements every month, at least six times yearly. I will return the data sheets to the Pacific Shellfish Institute by email (after scanning the completed data sheets) or by mail, to the address below.

I will also deploy temperature data loggers on my farm: Yes No

If yes, I will attach data loggers to my equipment at the following locations:

_____,
_____,
_____.

After the monitoring period, I agree to mail the data sheets and temperature loggers, in the provided envelope, to the Pacific Shellfish Institute at the following address:

Pacific Shellfish Institute 120 State Ave NE, #1056 Olympia, WA 98501

Thank you for your participation!

Sincerely,

Bobbi Hudson
